## GENERAL REPORT.

---

The present report of the Alumnæ Association, being the first issued since the adoption of the new by-laws and the change in the time of occurrence of the annual meeting, covers, not a full year, but the period from June, 1898, to February, 1899, only.

During this interval the Association has held two regular meetings in Bryn Mawr, one on November 19<sup>th</sup>, 1898, the other, on February 11<sup>th</sup>, 1899. Although at the November meeting there was no quorum present, the business was transacted as usual and reserved for ratification by the February meeting. In order to permit of the occurrence of the annual meeting in February, as provided in the new by-laws adopted, with the exception of Article II., Section 1, by the November meeting, but not yet ratified by the Association, a card was sent to each member of the Association, on which was printed a resolution that Article II., Section 1, of the new by-laws, providing that there shall be in each year but one regular meeting of the Association, to be held in February on a date chosen by the Board of Directors, be tried provisionally for two years. The vote received on this resolution from the whole Association was fifty-nine affirmative, seven negative. At the meeting held, in accordance with this vote, on February 11<sup>th</sup>, the business transacted at the November meeting was formally ratified, and the new by-laws, except Article II., Section 1, adopted. The most important changes made by the new by-laws are: the time and number of the meetings of the Association (Art. II., Sec. 1); biennial elections; the appointment of all committees except the Academic Committee, by the Board of Directors, subject to ratification by the Association; the increase of the annual dues to one dollar. Printed copies of the by-laws were sent to members of the Association before the November meeting. The success of the February meeting was largely ensured by the luncheon given by President Thomas to the Alumnæ to meet the Academic Committee.

During the period covered by the report the Board of Directors has held three formal and a number of informal meetings, and has conducted much of the necessary business by correspondence. The most important matters that have come before the Board, in addition to the by-laws, have been: (a) the final adoption of the seal of the Association and the completion of the business connected with the transfer of the Scholarships Fund; (b) the discussion of the appropriation of the Alumnæ Fund; (c) the appointment of committees and the date of the February meeting.

(a). In July, 1898, in accordance with the resolution of the June meeting of that year, empowering the Executive Committee to choose a seal, the design for the seal was approved by the members of the Committee, and the seal was made and mounted in a press. On the completion of the seal, the deed of gift transferring the Scholarships Fund to the Trustees was legally signed and sealed by the officers of the Association, and the seal of the Trustees added to their signatures, already given. This act completed the business connected with the transfer of the Scholarships Fund.

(b). The Executive Committee was also empowered by the meeting in June, 1898, to appoint a committee whose duty should be the investigation of the desirability of an Entertainment Hall as the ultimate destination of the Alumnæ Fund. The Executive Committee decided that before any such Committee were appointed, President Thomas should be consulted, and the attitude of the College towards a building of this character should be ascertained. President Thomas, having consented to meet the Executive Committee, discussed with it the possible destinations of the Alumnæ Fund. Since the main features of a separate Students' Hall would be included in the auditorium provided for in the plan of the future College buildings, of which blue prints were distributed among the alumnæ at the supper of 1898, and since the need for such an auditorium was not felt to be the most immediately pressing, President Thomas was not in favour of a Students' Hall. An addition to the gymnasium, including increased floor space, committee rooms, and kitchens, seemed to President Thomas

and the Committee an excellent object for the Alumnæ Fund, but less immediately important than the third alternative, the library building. President Thomas told the Committee that the library building was necessary to the welfare of the College, and that it was hoped that, in the near future, the raising of subscriptions might be begun. In raising money for the library the active coöperation of the alumnæ would be desired, and it therefore seemed unwise that any energy be diverted towards another object. As a result of this conference, the Executive Committee did not appoint a Committee to investigate entertainment halls, but recommended to the Association that the Association consider the library building as an object for the Alumnæ Fund, and also appoint a large Committee to work with the present collectors in formulating and carrying out a plan to raise a part of the money required for the erection of the library building. No action was taken on this recommendation in the November meeting, but in the February meeting it was decided, in view of the necessities of the Students' Loan Fund and the large amount of money required for the library building, to appropriate the Alumnæ Fund till February, 1900, to the Students' Loan Fund.

(c). The appointments of committees made by the Board of Directors were ratified by the Association at the meeting held on February 11th.

N. NEILSON,  
Recording Secretary.

## REPORT OF THE ACADEMIC COMMITTEE.

This year the Academic Committee held its two conferences on successive days in February, according to the plan approved by the Alumnae Association in June, 1898.

At the first conference, held with President Thomas, various matters connected with the College were discussed, such as the establishment of a research fellowship; the social life of the students; and intercollegiate athletics. The immediate outcome of this conference was the proposal made by the committee and accepted by the association that the alumnae raise money for a research fellowship to be conferred by Bryn Mawr.

At the second conference, held with President Thomas, Professor Andrews and Mr. Harkness, a discussion was held on the marking system, the committee presenting a detailed report of the methods used by other colleges, on the entrance requirements and examinations, and on other important matters, which are to be further investigated by the committee.

At both conferences the committee received valuable information about the present condition and the future plans of the College. And the Association will probably be glad to hear that in no other year have we felt so sure that the existence of the committee was justified.

ANNIE CROSBY EMERY, Chairman.

## REPORT OF THE CONFERENCE COMMITTEE.

There have been two meetings of the Conference Committee, one in November and one in February.

The Alumnae on their side reported, first, that their Association had been incorporated; Miss Thomas, who had brought with her the charter, showed this to the meeting. The revision of the by-laws also was announced, and the undergraduates seemed interested in accounts of the work and aims of the Academic Committee; Miss Emery's statement, and a report of the work that Miss Mason had kindly written out, were read in the meeting.

Next, the proposition to hold an annual Alumnae Meeting in February was announced, and it was explained that in future the members of the Senior Class would be invited to attend this meeting as guests.

There was much of interest in the College life reported by the Undergraduate Committee.

A petition had been sent in by the Senior Class in regard to the oral examinations in French and German; as a result four dates through the year will be set for examinations in these subjects.

The undergraduates spoke with enthusiasm of the Wednesday Evening meetings, and reported addresses by Dr. Worcester of St. Stephen's Church, Philadelphia; and Dr. Mackenzie of Cambridge. The Sunday Evening Meetings continue as heretofore.

The two College publications, *The Lantern* and *The Philistine*, were discussed, and Miss Reilly, business manager of *The Lantern*, and a member of the Undergraduate Conference Committee, reported that there was a large permanent subscription list. Two censors appointed by the Undergraduate Association now examine the contributions to *The Philistine* and control its publication. A column in *The Philistine* has been devoted to "Alumnae Notes," and the interest of the magazine has been increased by illustrations.

The interest in outdoor sports has not abated. A golf club has recently been formed among the students, and links are now being laid out in the College grounds.

This year, as formerly, a series of concerts has been arranged for. Three of these have already taken place;—a concert by the Kneisel Quartette, "In a Persian Garden," and a recital by Mr. David Bispham. A concert was given on the evening of February 10th, by the College Glee and Banjo Clubs.

A list of the lectures delivered before the College, under the auspices of the Graduate Club, the De Rebus Club, and other organizations, will be published in the President's Report for 1898. A new feature of the Graduate Club, reported by the graduate members of the Conference Committee, is the part taken by members of the faculty in the informal meetings; at the first of these "Departmental Meetings" Miss Gwinn spoke on "Emerson and Walt Whitman from the point of view of Mr. John Jay Chapman."

One of the College Receptions has already taken place; the second is to take place soon after Easter. A "Junior Promenade" was

held on Saturday evening, February the 11th, by the Class of 1900. The play given by the Sophomores to the Freshmen in October was Boucicault's "London Assurance," and in November the Freshmen presented "Princess A. B.," an original farce.

The alumnæ were much pleased with the enthusiasm of the undergraduates in regard to Miss Tsuda's address before the students, and their personal interest in her visit to the College.

HELEN J. ROBINS, Chairman.

## REPORT OF THE STUDENTS' LOAN FUND COMMITTEE.

The committee has held one meeting this fall, and has lent to five students for the present academic year a sum amounting to six hundred and fifty dollars.

In November last, two hundred circulars were sent to all former students who had not taken a degree at Bryn Mawr, with the hope that they would be interested in contributing to the fund.

The Class of 1898 made a donation of one hundred and eighty dollars, for which the committee would gratefully express its acknowledgment. A return of fifty dollars by one student has just been made. It will be seen by the financial statement that the balance in hand is small, and that the committee will be unable to meet the applications made for another year, unless it be materially increased. The committee would again suggest to the association that the loan fund be considered among the objects for which collections are to be made.

On behalf of the Committee,

JULIA COPE COLLINS, Chairman.

February 11th, 1899.

## GENERAL REPORT.

---

The work of the Association during the past year—February, 1899, to February, 1900—has been conducted by one annual meeting and by the Board of Directors. The substitution of one annual February meeting for the two meetings, one in November and one in June, of former years, has so far in no way interfered with the usefulness of the Association. It seemed advisable, however, to the February meeting to try the new method for one year more before taking final action.

Despite the fact that there was no business meeting in June, the Alumnæ Supper on the evening of June 8th was well attended. President Thomas and Miss Irwin, Dean of Radcliffe College, were the guests of the Association.

The Board of Directors has held five meetings during the year, and has transacted much of the necessary business by correspondence. Soon after the meeting of the Association in February, 1899, the Board accepted with regret the resignation of Miss Pauline D. Goldmark as corresponding secretary. Miss A. C. Dimon was appointed corresponding secretary in Miss Goldmark's place.

A number of important matters have come before the Board of Directors for action during the year. First, the practical application of the new by-laws has proved necessary certain minor changes, which, having been proposed at the meeting of February, 1900, will be voted upon in February, 1901; secondly, a committee to devise means for the establishment of a research fellowship has, after some delay, been finally appointed; thirdly, the exclusive right for one year to have photographed the portrait of President Thomas has been granted the Association by the Trustees;\* lastly, on request, the president of the Association furnished information to be sent to

the Paris Exposition concerning the work done for the college by the Bryn Mawr Alumnæ Association.

A letter was brought before the Board of Directors and the Association from Miss Umé Tsuda, stating her desire to establish a school in Japan. It is hoped that many alumnæ will be interested in Miss Tsuda's work.

All nominations to committees made by the Board of Directors were ratified at the meeting of the Association in February, 1900. At this meeting, also, the Board of Directors was authorized by the Association to co-operate in every way possible with President Thomas and the Trustees in raising money for a library building and hall of residence.

N. NEILSON, Recording Secretary.

## REPORT OF THE ACADEMIC COMMITTEE.

The Academic Committee was unable this year to meet in February, and therefore held its two conferences—one with President Thomas, the other with President Thomas, Dr. Lodge, and Dr. Morgan—on the 16th and 17th of March.

The most important reports from the College were as follows:

1. The standard of the A. B. degree has been raised somewhat. The changes were fully explained by the Secretary of the Faculty. There has been in operation for some years a rule by which a student was debarred from taking the degree if she were conditioned in twenty out of the one hundred and twenty hours required for graduation. Under this rule the College was forced to graduate some students who, while having had only nineteen conditions, showed a general average for their four years of but little over sixty per cent. On the other hand, the rule worked injustice towards students who had come to College young and thoughtless, and incurred such a burden of conditions in their first year or two years that no amount of later application could save them. In order to obviate such injustice, and at the same time to keep the standard high, new regulations have been adopted, after a study of the regulations of other institutions. Every student must attain a grade of at least seventy per cent. ("merit") in one-half of the required one hundred and twenty hours. It would be possible under this rule for a student to cancel courses in which she had failed and choose other courses, so that she might finally, by long residence, attain a total of sixty hours of "merit." To provide against this, it has been ordered that all the courses offered for examination shall be included in the estimate, until the number of one hundred and twenty hours has been reached. It has also been decided that an examination taken to pass off a condition, cannot be graded above the passing mark. This will prevent a "merit" on a made-up condition counting in the total of the sixty hours in which "merit" must have been attained.

2. The President of Bryn Mawr College was present last autumn at a conference, called by President Low, of Columbia, to consider a plan for creating a common board of examiners for college entrance examinations. Bryn Mawr, Columbia, Cornell, Princeton, Vassar, Barnard, and all the colleges of the Middle States and Maryland having an entering class of over fifty took part. During the conference a

plan was formulated for the establishment of a board of admission, to consist of the executive officers of all colleges in the Middle States and in Maryland having an entering class of over fifty, and of representatives of the preparatory school in this section. On the examination questions, prepared under the direction of this board, every college should put its own value—that is to say, should mark the papers according to its own standard. No college would, therefore, need to change its individual standard, and the preparatory schools would gain obvious advantages. The local examinations would not necessarily be abandoned, unless the practical workings of the new plan should make them superfluous. There was, however, a definite understanding among those present that no college should be bound to accept the examinations because its executive officers had a seat on the board of examiners. The final result of the conference was the appointment of a committee to report next autumn on some practical scheme to be put into operation, if possible, in the spring of 1901.

3. A journal, to be known as the "Bryn Mawr College Monographs," is to be established, for the publication of original papers written by Bryn Mawr professors and students, and doctor's dissertations, with a supplementary series, to consist of reprints of original work done at Bryn Mawr and published in other journals. Miss Garrett has generously guaranteed one thousand dollars a year for five years for the publication of these monographs.

4. Every effort is being made to secure money for the erection of a library building and a new hall of residence. It is hoped that the library may be completed by next Christmas.

The committee will publish this spring the article on the government of women students, which has been in preparation during the last year or two. This year it will begin an investigation of the social life of women students.

ANNIE CROSBY EMERY, Chairman.

## REPORT OF THE CONFERENCE COMMITTEE.

There have been two business meetings of the Conference Committee, one in April and one in February. The committee has, however, met socially on several afternoons during the past year, and the alumnae have been delightfully entertained by the graduate and undergraduate members.

The Alumnae had this year little of interest to report, but there was much to hear of in the College life.

The undergraduates emphasized the interest in the Sunday evening meeting this year; the entering class especially has shown great enthusiasm in the meeting. A list of the "College Preachers" will be published in the President's Reports for the years 1898-99 and 1899-1900. In these reports will be found also a list of the lectures delivered before the College under the auspices of the Graduate Club, the Philosophical Club, the De Rebus Club, and other organizations.

The report from the graduate members of the committee was most interesting. The Federation of Graduate Clubs held its meeting this year at the University of Columbia, in the Christmas holidays. Miss Annie J. Wilkinson represented the Graduate Club of Bryn Mawr, and was appointed corresponding secretary of the Federation. President Thomas addressed the Bryn Mawr Graduate Club at its inaugural meeting in October. Early in the year the Senior Class entertained the graduates, and the graduates invited the Seniors to the first formal meeting of the club. Last spring the club entertained the Graduate Club of the University of Pennsylvania, and in January of this year the Graduate Club of the University gave a reception for the Bryn Mawr Club, in Houston Hall. An address was delivered by Professor Barker, Provost and Mrs. Harrison received the guests, and the Deans of Schools and Faculty of the University were present.

The rooms of the Graduate Club in Denbigh Hall are in constant use; the tables are supplied with papers and magazines, and some one of the graduate students makes tea in the rooms on the first four afternoons of the week. The graduates have thus a place for frequent social meetings. The undergraduates, however, are more limited in space than ever, and urge the pressing need of a Students' Building.

The graduates last spring organized a Basket Ball Team. Field Day is a new feature at Bryn Mawr, and last April much interest was aroused in athletic contests by the first Field Day, which was pronounced a great success. Last spring there took place, also, the first of the swimming contests.

The Bryn Mawr Chapter of the College Settlement Association had no work to report, as this year little could be done until the Philadelphia Settlement had taken full possession of its new house. The Bryn Mawr Chapter has presented a brick mantelpiece to the new house.

Several plays have been given during the past year. In March, "Barbara" and "As Strangers" were acted for the benefit of the Japanese Scholarship, and were followed in April by "A Piece of Black Ribbon," for the benefit of the Music Committee, "A Scrap

of Paper," and "The Amazons." The Sophomore Play last autumn was "The Adventure of Lady Ursula," by Anthony Hope, and the Freshmen gave a clever original farce, "The Quest of the Lantern." There have been two College receptions. Two of the four concerts arranged for have already taken place—a concert by the Kneisel Quartette, and a recital by Mr. David Bispham. Mr. Elliott Schenck has delivered three lectures on the Niebelungen Ring.

The College has been much interested in Mr. Sargent's portrait of President Thomas, which was formally presented to the Trustees last November. President Thomas is at present engaged in writing a monograph on "Woman's Education in the United States," one of a series of monographs for the Paris Exposition.

The new system of oral examinations in French and German—put into practice this year for the first time—has worked most admirably.

HELEN J. ROBINS, Chairman.

#### REPORT OF THE JAMES E. RHOADS SCHOLARSHIPS COMMITTEE.

The committee met. President Thomas and the committee appointed by the Faculty, May 11th, 1899.

Applications were presented from six students for the Junior Scholarship and from three students for the Sophomore Scholarship. After very careful consideration, the committee nominated to the Trustees: Miss Laura Fowler, for the Junior Scholarship, and Miss Eleanor James (non-resident) for the Sophomore Scholarship. The fact that the nominee for the Sophomore Scholarship was a non-resident student, and hence entitled to \$125.00, enabled the committee to nominate Miss Jeannie C. Howard for a "Special Scholarship of \$125.00 for the year 1899-1900."

Signed,

MARTHA G. THOMAS, Chairman.

February 10th, 1900.

#### REPORT OF THE STUDENTS' LOAN FUND COMMITTEE.

Since its last report the committee has held but one meeting, at which applications were considered, and loans amounting to eight hundred and seventy-five dollars were made to seven students. A

cause for much encouragement is the fact that during the year three hundred dollars have been returned to the Fund.

We desire to acknowledge a donation of five hundred dollars from a donor whose name is withheld; three hundred and forty-two dollars and seventy-one cents from the Alumnæ Fund, and several small contributions, all of which have very materially aided the committee in its work.

On behalf of the committee,

JULIA COPE COLLINS, Chairman.

February 10th, 1900.

## ABSTRACT OF THE ANNUAL REPORT OF THE BOARD OF DIRECTORS.

February 23, 1901.

The Board of Directors has held seven meetings during the year.

In order to facilitate the attendance of the *alumnæ* residing out of Philadelphia, the Board has fixed the date of the Annual Meeting. In doing this it has chosen the only convenient fixed time at which the College can accommodate and entertain the Association, namely, the Saturday following the mid-year examinations. The date of the next meeting will be February 8, 1902.

**Annual  
Meeting.**

In raising the money for Miss Thomas's portrait, and again in the May-Day Fête, the activity and interest of former students have been very marked; so much so that the Board feels that it is very desirable to keep in touch with them, and to send to them all the notices and reports sent to the *Alumnæ*. For this reason the Board recommends to the Association the following changes in the by-laws, to be acted upon at the next meeting :

**Associate  
Members.**

Art. I., Sec. 3. Insert after Sec. 2 :

"Former students of the College, who have not taken their degrees, may become Associate Members of the Association upon application to the Board of Directors and payment of dues. Associate Members are entitled to all the rights and privileges of full membership, except the power of voting and the right to hold office."

Art. IV., Sec. 1. Add :

"Associate Members shall pay the same dues as full members of the Association."

Art. VI., Sec. 9, amended to read :

"The members of the Auditing Committee shall be appointed (now annually) *biennially* by the Board of Directors, and shall each hold office for *two* years (now one).

Copies of our Annual Report are to be exchanged with fifteen of the most representative colleges of the country.

The Treasurer reports a large number of unpaid dues ; among  
 Unpaid Dues. seventy-eight Alumnæ \$101.00 were owing on February 5, 1901, in small amounts from 50 cents to \$2.00. The inconvenience of small remittances may be overcome by the payment of life dues, \$20.00.

Wishing to bring the opportunities offered by the College to the attention of principals of secondary schools throughout the country, the Board consulted with President Thomas  
 Secondary Schools. as to ways and means. It learned that the College was sending each year a list of the scholarships and the schedule of examinations to all schools that have successfully entered students. President Thomas and the Board agreed that the Alumnæ, scattered as they were, and many of them teaching, could considerably increase this list of schools. The College offered to pay for the printing of an inquiry to Alumnæ, which was sent out in January. Already fifty-three schools have been added to the list, five addresses corrected, and four extinct schools taken off the list. Only seventeen out of the three hundred and seventy-nine alumnæ have yet replied, so that it is likely that many more additions will come in. Indeed, there is no reason why additions may not be made every year. The purpose is to include in the list all secondary schools, both public and private, of standard to fit for Bryn Mawr College.

DORA KEEN, President.

## EXTRACTS FROM THE MINUTES OF THE ANNUAL MEETING.

The Annual Meeting of the Alumnæ Association of Bryn Mawr College was held in Room D, Taylor Hall, February 23, 1901, the President, Miss Dora Keen, in the chair. There were over one hundred members present.

James E. Rhoads Scholarships. The report of the James E. Rhoads Scholarships Committee was given by its Secretary, Miss Helen J. Robins, and the accompanying resolution was adopted at the recommendation of the Committee.

"Resolved, that the Trustees be asked to change the wording of Sec. 9 of the Deed of Gift of the Fund to read, 'Its value shall not exceed the amount of tuition,' the recommendation

being that a non-resident scholarship, now \$125, should always cover the amount of tuition, to whatever figure that amount may in the future be raised."

The report of the Committee on Research Fellowship was made by the chairman, Miss Susan B. Franklin, and was accepted by the meeting and referred back to the Committee on Research Fellowship, with power to consult with Miss Maddison with regard to having it printed among the publications of the Graduate Club.

In the absence of Miss Lucy M. Donnelly, delegate, Miss Ida Wood read the reports which had been secured on the Secondary and Higher Educational Conferences held in Paris last summer. The first report was written by Mrs. Bertrand Russell, and the second by President Thomas. Miss Donnelly was the accredited representative of the Alumnæ Association to the Educational Conferences, but was unable to be present on account of illness. It was unanimously ordered that the Corresponding Secretary express the thanks of the Association to Mrs. Russell and President Thomas for their papers.

The report of the Committee having in charge the sale of photographs of Sargent's portrait of President Thomas was given by Miss Martha G. Thomas, treasurer, for the chairman, Miss Parish. The Committee recommended that the photographs be sold for \$1.00 and 75 cents, according to the respective sizes. It further recommended, if the time of sale be extended by the Trustees, "that the proceeds from the sale of the photographs of the portrait be given to the Students Building Fund until the building be completed, and that they be paid over by the Portrait Committee to the Treasurer for the above purpose on March first of each year."

The above recommendation was put in the form of a motion and unanimously carried.

Mrs. Ladd read the report of Miss J. B. Haines, chairman of the Committee on Miss Mason's Gift of \$25. The Committee reported that, with Dr. Geo. A. Barton's advice, a list of about forty-five books on the subject of present-day philanthropic problems had been selected, from which those most needed for the Library would be chosen.

Miss Helen E. Williams reported for the Supper Committee in place of the chairman, Miss Katrina B. Ely. She announced **Alumnæ** that ninety **Alumnæ** had been present at the supper **Supper.** given on June 7th, 1900.

The name of Miss Susan Goldmark, which had been brought **Honorary** up the previous year for honorary membership, was **Member.** again presented to the meeting, and she was unanimously elected as an honorary member of the **Alumnæ Association.**

**Changes** The proposed changes in the By-Laws brought forward at the meeting last year were again read by **in the** the Secretary, and on motion were unanimously adopted by the meeting.\*

**Disposition** On motion of Miss A. C. Dimon, it was ordered : **of Funds.** I. That the **Alumnæ** unite in raising \$10,000 for the Library Building, and welcome the co-operation of past and present students.

II. That the appropriation of the amounts received to date by collectors for a purpose unspecified, be left to the decision of the respective collectors.

A recommendation was read from Miss J. B. Haines suggesting that when the Life Membership dues reached a reserve of \$400 or \$500, a special **Alumnæ** Scholarship be established with the Life Membership Fund. After full discussion, which brought out the fact that the general fund, without including the Life Membership Fund, increases faster than the general expenses of the Association, Mrs. C. M. Andrews made the following motion :

III. That the dues from the Life Membership Fund be invested as a perpetual fund, the income from which shall be disposed of at the discretion of the Association. The motion was carried.

After further discussion Miss Dimon moved :

IV. That the present **Alumnæ** Fund (\$32.19) be merged with the perpetual fund from the Life Membership dues, the whole to be called the **Alumnæ** Fund. The motion was carried.

V. That the collectors devote their energies during the coming year to the Library Building, but may receive contributions for the other items mentioned in the circular and for the **Alumnæ** Fund. Motion carried.

\*See By-Laws, p. 14

Referring to the report of the Executive Committee, the President spoke of the movement now on foot to establish a Students Association, and called on Mrs. Andrews to explain the objects and aims of such an association. In doing so, Mrs. Andrews said that the total number of students who had been at Bryn Mawr College was 1177, 798 of whom, not having taken their degrees, had no official share or interest in the progress of the College. It was to obviate this difficulty and bring together all those who, through former associations, were necessarily interested in the College, that the Students Association was proposed.

After full discussion, on motion it was resolved that the Alumnæ Association hereby agrees to become part of a Students Association of Bryn Mawr College.

It was further resolved that the Board of Directors of the Alumnæ Association be empowered to pay that part of the expenses incurred by the Alumnæ Association. According to this rule the bills would pass through the same form as all other Alumnæ bills.

Miss Pauline Goldmark read Miss Jane B. Haines' motion that Article I, Section 1, of the By-Laws shall be construed to mean that all persons receiving the degree of A. B. or Ph.D. from Bryn Mawr College shall be considered *ipso facto* members of this Association, unless they shall give written notice to the contrary to the Board of Directors or forfeit their membership by non-payment of dues.

The following resolutions were presented and unanimously adopted by standing vote :

"WHEREAS the Alumnæ Association of Bryn Mawr College has learned of the death of one of its members, Elsie Sinclair Hodge, of the Class of '97, who was killed in China in June, 1900 ; and

"WHEREAS, through her death the Association has sustained a great loss, Be it

"RESOLVED that we, the Alumnæ of Bryn Mawr College, record our very deep sorrow in her death and our great appreciation of her unselfish life. And

"WHEREAS, the Alumnæ Association of Bryn Mawr College has

learned of the death of one of its members, Anne Fleming Blauvelt, of the Class of '98 ; and

"WHEREAS by her death the Association has sustained a great loss, Be it

"RESOLVED, that we, the Alumnæ of Bryn Mawr College, record our appreciation of her success both as a student and as a teacher, that we are bereaved in her loss, and that we further record our sympathy for her parents, whose only child she was."

It was further ordered that copies of the above resolutions should be forwarded to the families of the deceased members.

On motion it was ordered that a vote of thanks be extended to President Thomas for the luncheon given by her to the Alumnæ Association.

It was also ordered that a vote of thanks be extended to Mr. William P. Henszey for the promise of \$10,000 for the new Library Building.

It was announced that a meeting would be immediately held in the Chapel, to organize the proposed Students Association.

The meeting then adjourned.

EDITH WETHERILL IVES,  
Recording Secretary.

## REPORT OF THE ACADEMIC COMMITTEE.

The annual meetings of the Academic Committee were held this year on February 15th and 16th in Bryn Mawr. There were present all the members of the Committee: Louise S. Brownell Saunders, Chairman; Mary T. Mason, Secretary; Annie Crosby Emery, Jane Brownell, Edith Hamilton, Susan G. Walker, Alice B. Gould ; Dora Kean, *ex-officio*.

The meeting consisted of a meeting of the Committee alone ; a conference of the Committee with President Thomas ; a conference of the Committee with President Thomas and two members of the Faculty, Dr. Keasbey and Dr. Menger; and a final meeting of the Committee alone.

The most important subjects of report and discussion this year have been:

I. *The Government of Women Students in our Colleges*. An article of some twenty pages, embodying the results of the investigation

by the Committee, was published in the *Educational Review* of December, 1900; two hundred and fifty reprints of this article are in process of distribution "with the compliments of the Academic Committee of the Alumnæ of Bryn Mawr College," to the following: The presidents and deans of all important colleges where there are women; a list of representative women interested in education both here and abroad; the chief daily and weekly papers which devote space to educational matters; the chief libraries of the country; the Trustees of Bryn Mawr College. [The remainder of the reprints were distributed at the Alumnæ meeting.]

II. *Social Life of Women Students in our Colleges.* This subject is now under investigation by the Committee with a view to publishing another article similar in scope to the preceding, also in the *Educational Review*. The plan to be pursued is to collect material, chiefly from students and alumnæ of the colleges under consideration, as to where, in their opinion, the especial strength, socially, of their college resides.

III. *Systems in Use in Colleges, for Advising Students in their Work.* A report on this topic was presented to the meeting, but will not at present be used for publication.

IV. *The Meeting in December of the Association of Colleges and Secondary Schools of the Middle States and Maryland; the adoption of a system of uniform entrance examinations by all of the colleges of these States; the effect of this on the entrance examinations of Bryn Mawr.* This year, for the first time, Bryn Mawr will accept as the equivalent of its own entrance examinations, these new "uniform entrance examinations," requiring in them, as in her own, a pass-mark of 60%. For the award of its entrance scholarships, the best papers submitted in competition to the Examining Board will be sent to Bryn Mawr to be judged again by the Faculty there. It is impossible, as yet, to predict the precise effect that this change will have. As far as a statement of the requirements goes, those of the "uniform" examinations are as high as those of Bryn Mawr.

Other matters that came up for discussions more or less general were: "The present difficulty experienced by graduate students in migrating from one college to another, for lack of a proper system for crediting equivalents" [this matter is under investigation by a committee from the Federation of Graduate

Clubs] ; the "orals" at Bryn Mawr ; the low numerical rating of History and English in the entrance examinations ; the appointment of a fixed date for meetings of the Academic Committee.

Other subjects discussed were : the counting of postmajor hours ; the requirement for the A.B. degree, twelve hours or fifteen hours ; the health of the students ; changes in regard to the Graduate School hours and fees ; the Bryn Mawr College monographs ; the dropping of part of the mathematics formerly required for a degree ; the law courses ; the effect of the higher standard required for a degree ; and the working of the rule with regard to the registration of students before and after vacations.

Respectfully submitted,

LOUISE S. B. SAUNDERS,  
Chairman, 1900.

## REPORT OF THE CONFERENCE COMMITTEE.

There have been seven meetings of the Conference Committee during the past year, and in these the alumnæ have been entertained by the graduate and undergraduate members.

In the first meetings last spring the preparations for the May-Day Fête were discussed; alumnæ and students alike were deeply interested in hearing the plans, which were later carried out with wonderful success. There is to be published in *The Lantern* for 1901 a full account of the results of the Fête. It seems almost unnecessary to speak here of the Bryn Mawr Calendar,—another most successful means of raising money for the Students Building. In the meetings were discussed also with interest the circular appeal authorized by the Board of Directors, and the idea of a general association to include alumnæ, graduates, undergraduates, and former students.

There is the usual interest in athletics among the students ; in October Bryn Mawr was the victor in a basket-ball game with Barnard, played at Bryn Mawr in the Gymnasium.

There has been much of interest in the social life of the College. In November the Graduate Club was given a reception by the Senior Class, in December, a reception by the Faculty. During the Christmas holidays the Federation of Graduate Clubs, which met this year in Philadelphia, was entertained at Bryn Mawr by

the College and by the Graduate Club, assisted by alumnae in the neighborhood. In January the Graduate Club entertained the Seniors. There have been two college receptions. The May-Day Fête replaced all other entertainments last spring, but there has been the usual number of plays this autumn. The Sophomores entertained the entering class by a performance of *The Rivals*, and the Freshman play was an original farce, *A Pilgrim of Progress*. There was a dramatic performance in November for the benefit of the College Settlements Association. Four concerts have been arranged for by the Music Committee, and of these three have already taken place,—one by the Kneisel Quartette, a recital by Mr. Cortlandt Palmer, and a recital by Mme. Schumann-Heink. The Music Committee has been most fortunate this year; Mr. Cortlandt Palmer presented his recital, and the students are now looking forward to a recital which Mme. Schumann-Heink is to give in May, for the benefit of the Music Committee. (A list of the "College Preachers" and of the lectures delivered before the College will be found in the President's Reports for the years 1899-1900 and 1900-1901.)

In February Miss Abby Kirk gave a talk before the Christian Union on Miss Tsuda's School in Japan. The students have been much interested in hearing the account of this first year of Miss Tsuda's work.

HELEN J. ROBINS,  
*Chairman.*

## REPORT OF THE JAMES E. RHOADS SCHOLARSHIPS COMMITTEE.

The Committee met President Thomas and the members appointed by the Academic Council of the Faculty, May 16th, 1900.

Applications were presented from three students for the Junior Scholarship, and from seven students for the Sophomore Scholarship.

After very careful consideration the Committee nominated to the Trustees:

Miss Emily James (non-resident), for the Junior Scholarship, and Miss Margaret E. Brusstar, for the Sophomore Scholarship.

The fact that the nominee for the Junior Scholarship was a

non-resident, and hence entitled to only \$125, enabled the Committee to nominate Miss Emily Dungan, Junior, as a candidate for a Special Scholarship of \$125 for the year 1900-1901.

Of the total number of applicants, five had an absolute numerical average of more than eighty, on the total number of required hours completed at date.

Regretting the disappointment of the remaining seven students, the committee later investigated the possibility of each candidate's returning to college without a scholarship. As a result, \$100 was given to one Senior student, and \$100 to a Sophomore for whose use the Committee also gave the Students' Loan Fund \$100. The Scholarships Committee had received the additional \$300 from the following donors:

Miss Mary E. Converse, '98.....	\$ 10
Mr. J. Roberts Foulke.....	25
Mr. Phillip C. Garrett .....	50
Mrs. J. Campbell Harris.....	100
Mrs. Arthur H. Scribner, '91.....	100
A member of '89.....	15
Total.....	<hr/> \$300

A gift of \$250 from Mrs. William G. Warden came too late for use last spring, and stands over for this year, as shown by the Treasurer's account.

To facilitate their work in the future, the Committee have prepared printed forms of application, and accompanying blanks to be filled in by the College Record Office. As indicated by the nature of the questions, it is the wish of the Committee that no deserving student of high grade shall ever be obliged to leave college. More scholarships are needed if this is to be accomplished. At present, apart from scholarships conditioned upon specific requirements, the College awards only three scholarships in the sophomore, one in the junior, and two in the senior year.

(Signed) DORA KEEN,  
Chairman.

HELEN J. ROBINS, Secretary.  
MARTHA G. THOMAS.

## REPORT OF THE STUDENTS LOAN FUND COMMITTEE.

The Committee has held one meeting since its last report, at which time applications were considered and loans were made to ten students to the amount of \$1350.

The loans repaid to the fund amount to \$1388.19, the largest sum the Committee has received in any one year.

We desire to acknowledge the contributions that have been made and we trust that the interest that has been shown in the Loan Fund in the past may be continued both by the Alumnae Association and by friends from outside.

On behalf of the Committee,

JULIA COPE COLLINS,

February 23, 1901.

### ARTICLE I.

#### MEMBERSHIP.

SECTION 1. Any person who has received the degree of Bachelor of Arts or of Doctor of Philosophy from Bryn Mawr College is entitled to full membership in the Bryn Mawr Alumnæ Association, and to all privileges pertaining to such membership.

SEC. 2. Former students of the College who have not received degrees may be elected to honorary membership in the Bryn Mawr Alumnæ Association upon unanimous recommendation of the Board of Directors. The names of such members must be proposed at an annual meeting of the Association and must be voted on at the annual meeting next following, an unanimous vote of the meeting being necessary for election. Honorary members are entitled to all the rights and privileges of full membership with the exception of the power of voting and the right to hold office.

### ARTICLE II.

#### MEETINGS.

SECTION 1. There shall be each year one regular meeting of the Association. This meeting shall be held at Bryn Mawr College in February, on date to be fixed annually by the Board of Directors.

SEC. 2. Two weeks before the annual meeting, notices of the date and of the business to be brought before the meeting shall be sent to each member of the Alumnæ Association. If it should be necessary to bring before the meeting business of which no previous notice could be given, action may be taken upon such business only by a two-thirds vote of the members present at the meeting.

\* Words underlined were adopted in February, 1901.

SEC. 3. Special meetings of the Association may be called at any time by the Corresponding Secretary at the request of the President, or of five members of the Association, provided that notice of the meeting and of all business to be brought before it be sent to each member of the Association two weeks in advance.

SEC. 4. In cases demanding immediate action on matters clearly not affecting the financial or general policy of the Association, special meetings may be called by the Corresponding Secretary with less than two weeks' notice at the request of the Board of Directors or of ten members of the Association. At special meetings called on less than two weeks' notice action may be taken only by a two-thirds vote of the members present.

SEC. 5. Fifteen members of the Association shall constitute a quorum for the transaction of business.

### ARTICLE III.

#### MANAGEMENT.

SECTION 1. The Officers of the Association shall constitute a Board of Directors to which shall be entrusted the management of the affairs of the Association in the interim of its meetings.

### ARTICLE IV.

#### DUES.

SECTION 1. The annual dues for each member of the Association shall be one dollar, payable to the Treasurer at the annual meeting.

SEC. 2. The dues for each member that enters the Association in June shall be fifty cents for the part year from June to the following February, payable to the Treasurer on graduation from the College.

SEC. 3. Any member of the Association may become a life member of the Association upon payment at any time of twenty dollars; and upon such payment she shall become exempt from all annual dues and assessments.

SEC. 4. Honorary members are exempt from all regular dues and assessments.

SEC. 5. The names of members who fail to pay the annual dues

for two successive years shall be stricken from the membership list. The Board of Directors may at its discretion remit the dues of any member sub silentio.

## ARTICLE V.

### COMMITTEES.

SECTION 1. The Standing Committees of the Association shall be: An Academic Committee, consisting of seven members; a Conference Committee, consisting of four members; a Students' Loan Fund Committee, consisting of five members; a James E. Rhoads Scholarships Committee, consisting of three members; a Nominating Committee, consisting of five members; and an Auditing Committee, consisting of two members.

## ARTICLE VI.

### ELECTIONS AND APPOINTMENTS.

SECTION 1. Elections for Officers shall be held biennially and elections for members of the Academic Committee annually, before the regular meeting, and the results of the elections shall be announced at that meeting; in every case the candidate receiving the greatest number of votes shall be declared elected.

SEC. 2. The Officers of the Association shall be nominated by the Nominating Committee, and elected by ballot of the whole Association. They shall hold office for two years or until others are elected in their places. The Board of Directors shall have power to fill any vacancy in its own body for an unexpired term.

SEC. 3. The members of the Academic Committee shall be both nominated and elected by ballot of the whole Association, and shall each hold office for four years or until others are elected in their places.

SEC. 4. The members of the Conference Committee shall be appointed annually by the Board of Directors and shall each hold office for one year or until others are appointed in their places.

SEC. 5. The members of the Students' Loan Fund Committee shall be appointed by the Board of Directors from candidates recommended by the Loan Fund Committee. They shall each hold office for five years or until others are appointed in their places. One new member shall be appointed each year to suc-

ceed the retiring member, and no member with the exception of the Treasurer shall be eligible for re-election until one year has elapsed after the expiration of her term of office.

SEC. 6. The members of the James E. Rhoads Scholarships Committee shall be appointed by the Board of Directors, and shall each hold office for three years or until others are appointed in their places. One new member shall be appointed each year to succeed the retiring member, and no member shall be eligible for re-election until one year has elapsed after the expiration of her term of office.

SEC. 7. The Health Statistics Committee shall be a permanent committee appointed by the Board of Directors in consultation with the President of Bryn Mawr College. The chairman of this Committee is empowered to fill vacancies in the Committee; a vacancy in the chairmanship shall be filled by the Board of Directors in consultation with the President of Bryn Mawr College.

SEC. 8. The members of the Nominating Committee shall be appointed biennially by the Board of Directors, and shall each hold office for two years or until others are appointed in their places.

SEC. 9. The members of the Auditing Committee shall be appointed annually by the Board of Directors, and shall each hold office for one year or until others are appointed in their places.

SEC. 10. All appointments of the Board of Directors for the year ensuing shall be made in time to be reported by the Board to the annual meeting for ratification by the Association.

## ARTICLE VII.

### DUTIES.

SECTION 1. The President shall preside at all meetings of the Association and of the Board of Directors, and shall perform such other duties as regularly pertain to her office. She shall be a member ex-officio of all the committees of the Association and shall countersign all bills presented to the Treasurer before they are paid. She shall appoint such committees as are not otherwise provided for.

SEC. 2. The Vice-President shall perform all the duties of the President in the absence of the latter.

SEC. 3. The Recording Secretary shall keep the minutes of the Association and of the Board of Directors, and shall perform such other duties as regularly pertain to the office of clerk. She shall have the custody of all documents and records belonging to the Association which do not pertain to special or standing committees, and she shall be the custodian of the seal of the Association. She shall notify committees of all motions in any way affecting them ; she shall receive all ballots cast for the elections and with the Chairman of the Nominating Committee shall act as teller for the same ; and she shall be responsible for the publication of the Annual Report, which should be mailed to the Alumnæ within two months after the annual meeting.

SEC. 4. The Corresponding Secretary shall conduct all the necessary correspondence of the Association ; she shall send out all notices, and shall inform officers and committees of their election or appointment ; she shall approve all bills before they are sent to the President for her signature. She shall send to each class secretary in January of each year the forms for the collection of class records ; she shall receive and arrange these records for the Annual Report, and she shall also assist the Recording Secretary in the further preparation of this report.

SEC. 5. The Treasurer shall be the custodian of all funds of the Association, except those pertaining to special or standing committees ; and shall pay them out only upon the joint order of the President and Corresponding Secretary. She shall collect all dues and assessments, shall take and file vouchers for all disbursements, and shall keep an account of all receipts and expenditures. She shall be ready at any time to make a report of the finances of the Association to the Association itself or to the Board of Directors, and she shall make to the Association at the annual meeting a full report, the correctness of which must be attested by the Auditing Committee.

SEC. 6. The Board of Directors shall prepare all business for the meetings of the Association, and shall have full power to transact in the interim of its meetings all business not otherwise provided for in these by-laws. It shall have control of all funds of the Association ; it shall supervise the expenditures of committees, and it shall have power to levy assessments not exceeding in any one year the amount of the annual dues. It shall appoint before

each annual meeting the members of the Conference Committee, the Students' Loan Fund Committee, the James E. Rhoads Scholarships Committee, the Auditing Committee, and a collector from each class for the Alumnæ Fund. It shall also appoint in alternate years before the regular meeting preceding the biennial election the members of the Nominating Committee; and in case a vacancy occurs it shall appoint, in consultation with the President of Bryn Mawr College, the chairman of the Health Statistics Committee. It shall report all appointments to the regular meeting next following for ratification by the Association. A majority of the Board shall constitute a quorum for the transaction of business. The Board of Directors shall be at all times responsible to the Association.

SEC. 7. The Academic Committee shall hold at least one meeting each academic year to confer with the President of Bryn Mawr College on matters of interest connected with the College. It shall have full power to arrange the times of its meetings.

SEC. 8. The Conference Committee shall hold at least two meetings each academic year, one in the autumn and one in the spring, to confer with committees from the Undergraduate Association and the Graduate Club of Bryn Mawr College, on matters of interest to the three associations. It shall have power to call special meetings at its discretion.

SEC. 9. The Students' Loan Fund Committee shall have immediate charge of the Loan Fund, and of its disbursements, subject to the approval of the Board of Directors. It shall confer with the President of the College regarding all loans.

SEC. 10. The James E. Rhoads Scholarships Committee shall, with the President of the College and the Committee appointed by the Academic Council of the Faculty, nominate annually the candidates for the James E. Rhoads Scholarships to be conferred by the Board of Trustees of Bryn Mawr College according to the provisions contained in the Deed of Gift.

SEC. 11. The Health Statistics Committee shall collect from the members of the Association information that may serve as a basis for statistics regarding the health and occupation of College women. The Committee, subject to the approval of the Board of Directors, shall have power to determine the best methods of carrying out the duties assigned to it.

SEC. 12. The Nominating Committee shall send biennially to each member of the Association, at least one month before the regular meeting, a ballot presenting alternate nominations for the officers of the Association. Two months before each regular meeting it shall request each member of the Association to make nominations for the Academic Committee. It shall consider as nominees the five members receiving the greatest number of votes, and it shall have power to add to this list nominees of its own, and the ballot thus completed shall be sent to each member of the Association, with the ballot for the officers of the Association, at least one month before the annual meeting.

SEC. 13. The Auditing Committee shall in the month preceding the annual meeting examine the accounts of the Treasurer, and shall report concerning the accuracy of the same at the annual meeting.

SEC. 14. The Board of Directors and all Committees shall report to the Association at the annual meeting, and the Students' Loan Fund Committee shall report also to the Board of Trustees of Bryn Mawr College.

## ARTICLE VIII.

### RULES OF ORDER.

The rules of parliamentary practice as set forth in Roberts's "Rules of Order" shall govern the proceedings of this Association in so far as they are not inconsistent with any provisions of its charter or by-laws.

## ARTICLE IX.

### AMENDMENT OF BY-LAWS.

These by-laws may be amended or new ones framed by a two-thirds vote of the members present at any regular meeting of the Association, provided that details of proposed amendments and additions have been given in writing at a previous regular meeting of the Association, either by the Board of Directors or by five members of the Association.
